

The background of the advertisement shows a workshop or showroom setting. In the foreground, a large, ornate ceramic basin is displayed on a wooden surface. The basin features a wide rim with a repeating pattern of green leaves and brown dots. The interior is decorated with a vibrant green background, white scrollwork, and blue floral motifs. A smaller, similar basin is visible in the upper left. In the background, a stack of white towels is neatly folded on a metal rack. The overall atmosphere is one of craftsmanship and elegance.
